About Us.

Hindustan Industries – Makers of TLA Almirah

TLA Almirah, a proud brand of Hindustan Industries, is India's No.1 name in domestic fancy steel almirahs. Known for combining functionality, elegance, and durability, TLA Almirah has become a trusted choice for modern Indian homes.

With a strong presence in **200+ cities** and a robust network of **900+ dealers across Uttar Pradesh**, we are transforming how Indian families store, organize, and enhance their living spaces.

Our advanced manufacturing facility, operated by Hindustan Industries, is equipped with **CNC machines, MIG welding systems, and an automated powder coating plant**, ensuring precision and quality at every step.

We believe an almirah is not just a utility—it's an essential part of your lifestyle. That's why **customization, innovation, and customer satisfaction** are the core values behind every TLA Almirah we create.

Director's Message

At Hindustan Industries, we believe that every home deserves furniture that reflects strength, style, and purpose. Through our flagship brand, TLA Almirah, our mission has always been to deliver more than just steel almirahs — we deliver trust, durability, and long-lasting satisfaction.

With a skilled team, advanced manufacturing infrastructure, and a strong dealer network, we are proud to see TLA Almirah become a part of thousands of Indian households. Our focus on innovation, product quality, and customer service is what drives our continued growth.

Thank you for placing your trust in Hindustan Industries and for making TLA Almirah a name synonymous with excellence. We look forward to being a part of your home and your happiness.”

Vision & Mission

Vision

To be the most trusted and preferred brand for domestic steel almirahs in India, transforming every household with smart, stylish, and durable storage solutions.

Mission

- To deliver high-quality, innovative, and affordable almirahs to every home.
- To continuously upgrade our technology and design to meet evolving customer needs.
- To build long-lasting relationships through trust, service, and customer satisfaction.
- To support Make in India by promoting local manufacturing and employment.
